

WINE
&
SPIRIT LIBATIONS

“After one sip, go back. The wine will have something new to show you. You are changing by the minute. So is the wine. You are evolving, aging by the minute, as is the wine. The wine is a companion for you in this.”

Serge Musar – from Chateau Musar, Bekka Valley, Lebanon

1939-2015

WINE BY THE GLASS

SPARKLING & FRIZZANTE

Prosecco – Voga ‘Brut’ DOC - Veneto, Italy 12

There is a literal village called Prosecco and that's where it all started. It's now made there and beyond, but check this: Prosecco came from the Slovenian name of Prozek. And Prozek translates to "path through the woods." So, start with a full or half flute of this bubbly while you determine your own culinary path tonight at Fhima's.

J. Laurent ‘Méthode Ancestrale’ & Doux [Sweet]— Limoux, France 13

Do not be afraid! I repeat, do not be afraid! Yes, the word 'sweet' is there. But here's the skinny: this is our best-selling glass of bubbles for two reasons: the wine is super tasty, and it loves our big flavors. In addition, the wine makes sweet love to all things spicy. And spices reign supreme here at Fhima's!

Langlois Chateau ‘Brut Rosé’ – Crémant de Loire, Loire Valley, France 17

Everyone knows Prosecco and Cava. And those are just fine. But if you upgrade to real Champagne from France, the price hike is Mount Everest steep! So, choose the middle bear, and entertain the prettiest rosé at a price that's lightyears from Dom Perignon.

Moscato - Vietti D.O.C.G d'Asti, Piedmont, Italy 13

Scoff at Moscato? Think it's just cheap sweet plonk? Well, best believe this ain't no Barefoot nonsense. This offering from Vietti is one of the finest Moscato's made. The lightly frizzante bubbles, aromatics and taste are astonishing!

WHITE WINES

Pikorua *SAUVIGNON BLANC* Marlborough, New Zealand 12

Smack your nostrils with this textbook-Kiwi-zipper of a Sauvignon Blanc. Lime and tart lemon persist here.

Renideo *PINOT GRIGIO* Delle Venezie, Veneto, Italy 12

A new style of Pinot Grigio here. Floral, with pear notes and crisp apple tones. It's perfect for Spring-time weather.

Delille *CHALEUR BLANC* Columbia Valley, Washington 16

The groove is in the heart of this hypnotic juice! If Rhianna's music producer suddenly decided to craft a chart topping white wine, this would be the hit! Chaleur Blanc translates to 'White Heat' and the wine is soft but expressive – easy, yet complex. The wine simply whispers out an opera of flavors, Pavarotti style.

Marques de Casa Concha *CHARDONNAY* Limari Valley, Chile 16

Take a break from the big butter and oak bombs and get into this balanced and rounded offering from Chile. The wine has a lot to say with all it's complexity. There's plenty of ripe citrus tones and a minerality that evokes Burgundy.

Domaine Pichot *CHENIN BLANC* Vouvray, France 13

Out of all the white wines, if you want the perfect match for Fhima's spicier dishes, drink this! Chenin Blanc from Vouvray can be sweet, and this one is! Mussels in that spicy tomato concasse make complete sense, as does the Snapper!

Kreuznacher ‘Spätlese’ *RIESLING* Mosel, Germany 13

Soft, supple, and just lightly sweet here. If you are having Salmon Tartare or Grandma's Salmon and Chickpeas, this is what you must drink!

WINE BY THE GLASS

ROSÉ

LAGO Cerqueira *BLEND* Minho, Portugal 10
Super fresh and just off the boat, this 2021 release is a stunner! The best rosé wine tends to emanate from Provenance France, but this one from Portugal of all places is a doppelganger. Super light, this wine is ready for the Summer.

RED WINES

Musar 'Jeune' *CAB/SYRAH/CINSAULT* Bekka Valley, Lebanon 15
Pick me! Pick me! For the love of our Mediterranean fare, this is the perfect foil for so many of our dishes! I could write for days about why you should drink this Lebanese wine right this very second. The wine engages with its assorted bright red fruits enhanced with a flurry of eastern spices. Musar begs for our Empanadas and Taste of Morocco.

Belle Glos "Balade" *PINOT NOIR & Syrah* Santa Maria Valley, CA 18
Behold the biggest Pinot Noir you have never seen! So dark in hue, many Sommeliers simply believe they must be secretly adding a darker-skinned grape like Syrah to the wine, for it just doesn't exhibit the color typically associated with the varietal. Smoother than velvet pants; this wine slaps with its red fruit flavors.

Saint Cosme *SYRAH* Cotes-Du-Rhone, France 14
This 2020 vintage is chock full of flavor and highlights the red fruit expression of the Rhone rather than the earthier side. There's more red fruit flavor than a Fruit Rollup! In rock and roll terms, the wine can melt faces! And being 100% Syrah makes it a B-side rarity. Oddly complex here for a regular ol' Rhone.

Dry Creek *ZINFANDEL* Napa Valley 15
Don't forget about America's home grape varietal!!! We sell a lot of Smash Burgers at Fhima's and this right here is the perfect sauce to take it down with. This wine is real Zinfandel. Smells like Zin. Tastes like Zin. Zin is in!

Liberty School 'Reserve' *CABERNET* Paso Robles, California 16
This wine simply schools any other in its price point. Full, and explosive with all its dark fruit flavor. A+++ When the staff at Fhima's is buying this wine to take home and drink, you know it's something really good.

Bousquet 'Reserve' *MALBEC* Mendoza, Argentina 12
Argentinian Malbec is kind of like the new Merlot. The bouquet of Bousquet is inviting with its baking chocolate nuances and Bordeaux like flavors. While the flavors linger in the mouth, one can rejoice they are pioneers in that all the wines they produce are organic and sustainable.

Cleto Chiarli 'Centenario' *LAMB-BROSKI* Lambrusco Grasparossa di Castelvetro Amabile 13
The search to discover a red that would marry up to Fhima's spicier cuisine is over! The wine is dark red. The wine is slightly sparkling and smells like rose pedals and orange peels wrapped up in tons of dark fruits. And here's the kicker; it's a little bit sweet. But it's what the LAMB CIGARS need! It's what the HARIRA wants! It's what the CONCHIGLIE desires! And it's what MAMA FHIMA PAELLA secretly lusts for...

This. Wine. Right. Here!
